

Hello, everyone! My name is Ashley. I want to personally invite you to join me at the American Space Conversation Club every Tuesday and Thursday from 16:00 to 17:00. The Conversation Club is designed to be a fun and engaging way to practice English and connect with fellow community members. I will be leading activities and discussions about American culture, identity, food, politics, geography, travel destinations, and other topics you may be interested in. Suggestions are always welcomed!

I was born and raised in New York. After graduating from the University of Pennsylvania with degrees in politics and ancient history, I spent the next year backpacking over 5,000 km throughout the United States. In addition to hiking, backpacking, and mountaineering, I am passionate about martial arts, boxing, writing, and movies. I am also studying Russian, so I can relate to the joys and

challenges that accompany language learning. Please know the Conversation Club is for all levels of English speakers.

I recently moved to Narva. I am incredibly excited to explore the city and get to know you. This is my first time in Estonia. Over the next nine months, I would love to learn more about Narva's distinct culture, traditions, and history. I hope to see you soon!

GET HELP WITH YOUR ENGLISH

PLEASE REGISTER

Join us on Tuesdays and Thursdays
